

Information Update

As required by securities regulations, and as part of our ongoing commitment to keep you informed about changes to our mutual fund offering, and other information available related to your mutual fund investments, we are pleased to provide you with the following update. Unless otherwise indicated below, **no action on your part is required.**

Mutual Fund Reports

At your request, we will send you a copy (by mail or email) of the Annual Financial Statements and/or Interim Financial Report and the Annual and/or Interim Management Reports of Fund Performance ("MRFPs") for your IG Wealth Management mutual funds. Alternatively, you can obtain a copy of these Reports at any time from our website at www.ig.ca, or at the SEDAR website at sedar.com.

Financial Statements

A Fund's Audited Annual Financial Statements give you a summary of its financial position as of its fiscal year-end. Its Unaudited Interim Financial Report also gives you this information for the six month period after its year-end. These Reports include statements of financial position, comprehensive income, cash flows and changes in financial position, as well as a list of the investments in the Fund's portfolio.

Management Reports of Fund Performance

MRFPs are published twice annually and supplement the Financial Statements. The MRFP includes the portfolio manager's comments on the Fund's performance over the period and discusses recent developments and important trends that could affect future performance, as well as other relevant information. MRFP's are made available at the same time as your Fund's Financial Statements.

To be added or removed from our MRFP and/or Financial Statements mailing list, please enter the following URL in your web browser and follow the instructions, where you can select the delivery method for these reports, which is either by mail or email. www.ig.ca/optin

Fund Facts Delivery

If you currently have a Pre-Authorized Contribution ("PAC")² arrangement for your IG Wealth Management mutual fund, you will not receive the Fund Facts document ("Fund Facts")³ for the series you are purchasing for any purchases after the initial purchase under your PAC, unless you request to receive a copy of the most recent Fund Facts, which is updated on an annual basis (or more frequently as required).

If you qualify for Series J and it has lower management and administration fees than your current series, IG will automatically switch (Automatic Switch) your qualifying investments into Series J of the same fund(s), over time you will not receive the Fund Facts for the series that was purchased by an Automatic Switch.

By not receiving the most recent copy of the Fund Facts prior to any subsequent purchases under your PAC or purchase of series securities made by an Automatic Switch, you will not have the right to withdraw from those purchases (and to have all of your money for those purchases returned to you) within two business days of your purchase (or as otherwise prescribed by law), but you will still have a right to rescind a purchase if the Simplified Prospectus, or any documents incorporated by reference into it (including the Fund Facts), at the time of the purchase has a misrepresentation.

You continue to have the ability to terminate your PAC at any time before each scheduled investment under your PAC. Please see 'Additional Information' for how you can request to receive a copy of the Fund Facts for any series of your fund.

Please note: In lieu of having the Fund Facts mailed to you, you may find it more convenient to obtain a copy of it (and/or your Fund's Simplified Prospectus) from the IG Wealth Management website at www.ig.ca or at the SEDAR website at www.sedar.com. We will continue to send you a copy of the Fund Facts for any other IG Wealth Management mutual fund purchases you make during the year.

¹ References to "IGFS Advisor", "IG Advisor" or "Advisor" in this Information Update mean "Investors Group Financial Services Inc. Representative" in Québec.

² Includes pre-authorized switch arrangements between funds, including systematic transfer and exchange plan (STEP) arrangements.

³ We will send you the Fund Facts document for the series of the Fund you have purchased in lieu of your Fund's Simplified Prospectus; however, you may still ask your Advisor to have us send you the Simplified Prospectus if you wish to receive it.

Redemptions

You may redeem all or part of your investment in any IG Wealth Management mutual fund by completing a redemption request, writing a letter to the Distributor (at the address listed below), or at the election of the Distributor, by other means including telephone, if appropriate arrangements are in place. Securities of your Fund may be redeemed at their net asset value calculated on the valuation day that a redemption request is received at one of our regional offices, or by an IG Wealth Management Advisor, provided that the redemption request is received prior to 3:00 p.m. (Central time) on any business day⁴. Redemption requests received after 3:00 p.m. (Central time) on a business day, or on a non-business day, will be executed at the net asset value per unit/share calculated on the following business day⁴. When submitting a redemption request in writing, any outstanding Unit or Share Certificates should be attached where applicable. If the Unit or Share Certificate is not attached, a redemption request will not be processed unless and until you provide us with the Unit or Share Certificate, a satisfactory indemnity or missing security fixed penalty bond. In addition, if you have granted a security interest in or pledged shares or units as collateral for a loan, we may be unable to process a redemption request with respect to those securities until we receive confirmation from your lender, which you must obtain (unless your lender has made other arrangements), that the securities have been released.

Other than in the case of an automatic redemption or complete redemption of an investment in a Fund, withdrawals must not be less than \$100. A redemption order may be cancelled by a Fund if, after requesting a redemption, you fail to comply with all requirements necessary to complete the redemption. Your Fund would then repurchase the same number of shares or units that were redeemed, and you will be responsible for payment of the amount that the repurchase price exceeds the redemption price.

Please consult your Fund's Simplified Prospectus for more details.

A. GENERAL

Under certain circumstances, Investors Group Financial Services Inc. ("IGFS") may deal with you or for you in securities transactions where the issuer of those securities or the other party to the transaction is IGFS or a party having an ownership or business relationship with IGFS.

This statement contains a general description of the required disclosure.

⁴ For IG Mackenzie Real Property Fund, redemption requests must be received by the Fund at least 30 days prior to the valuation day on which the units will be redeemed. IGFS may, from time to time, be deemed to be related or connected to one or more issuers for purposes of this disclosure and other rules of the securities laws. IGFS may have acted, and is prepared to continue to act, where permitted by law, as an advisor, dealer or underwriter with respect to securities of such Related Issuers and Connected Issuers and to provide the full range of services customarily provided by IGFS in respect of securities of other issuers. Account Agreement Update

Products and Services Update

In our Mutual Funds and Managed Solutions section, we have added a new offering of Private Placements or Prospectus Exempt Products which is “an investment distributed through an Offering Memorandum to qualified accredited investors.” This was effective since May 1, 2024.

Trusted Contact Person and Temporary Holds Update

We want to emphasize that the addition of a trusted contact person whom we can contact when we suspect financial abuse or signs of incapacity of our clients must be someone that has no link with our client’s finances and that will not potentially benefit from the client through the client’s estate, trust or else. We also encourage our clients to appoint someone that will not act as a power of attorney or a legal representative. This trusted contact person will be contacted only to validate signs of incapacity, we suspect financial abuse or if a material event happens in the life of our client that could explain unusual transactions or transfer requests in compliance with our regulation. No financial information is exchanged with this person.

Conflicts of Interest Update

We have updated our General conflicts of interest section to highlight a situation when an advisor earns additional compensation from bonuses for bringing in new clients or new funds from existing clients and how we address it. We are also referring to the new prospectus exempt offerings in the potential conflicts of interest that could arise and how we are dealing with it.

Client Complaint Information Update

Following the creation of CIRO, resulting of the merger of the Mutual Funds Dealer Association of Canada (MFDA) and the Investment Industry Regulatory Organization of Canada (IIROC) in 2023, we have updated the information about how to file a complaint with IGFS and with CIRO. Moreover, we have updated the Ombudsman for Banking Services and Investments (OBSI) contact information and the name of the Investor’s Guide to Filing a Complaint that was changed. Finally, we have added information regarding arbitration to resolve disputes.

This Notice is being sent to you as required by securities regulations. No action is required on your part. If you have any further questions, please contact your IG Wealth Management Advisor.
